March 2023

Dear Parents and Carers,

Lionheart Teach, teacher training event - Thursday 23rd March 5 - 7pm.

We are holding a teacher training information evening and would like to extend the invitation to parents and carers who are interested in teaching as a new career.

Our train to teach event offers information about Lionheart Educational Trust, their schools, and how to apply. Talks will run on both Primary and Secondary teacher training along with the chance to ask questions to the programme lead, Emma Lowe. Training with Lionheart Teach means that you will undertake your two teaching placements within Lionheart Educational Trust's 14 Leicestershire schools, while studying your qualification with one of our local partner universities. Many people who trained with Lionheart Teach now work within the Trust.

Our programme is a great opportunity not just for recent graduates, but for those looking for a career change who have a passion for making a difference to young people's lives through education.

The event will take place at **Beauchamp City Sixth Form from 5pm on Thursday 23rd March, with live talks planned at 5.15pm and 6.15pm.**

More information and booking can be found at:
